Work Experience

August 2017 - May 2018
Human Resources • Assistant • Livingston Parish School Board
I was able to work at the school board as a part of the COE program in high school which enabled students to experience the career field. Along with my human resources position, I assisted in the risk management department by evaluating flood damage at schools in the area.

January 2021 – Current
Schubert Geochemistry Lab • Research Assistant • Dr. Brian Schubert
<https://schubertlab.weebly.com>
As a research assistant, I prepare samples of modern and/or fossil wood for carbon and oxygen stable isotope analysis in order to study environmental change. In the spring 2021 semester, I completed cellulose extractions of approximately 150 samples. In the fall 2021 semester I prepared over 300 samples for cellulose extraction.

Extracurriculars

High School
FBLA • Club President
College
AEG Student Member, AWG Member, AAPG Member, SEG Member
Volunteer Note Taker for Office of Disabilities
Volunteer for the Drinking Water Protection Program

Leadership

As the president of FBLA (Future Business Leaders of America), I was able to lead the monthly club meetings, attend the Women's Leadership Conference hosted by the Chamber of Commerce, and participate in the State Leadership Conference which took place at Southeastern Louisiana University.
